## ***PEDALS, PIPES AND PIZZA A SUCCESS!***

Our third annual program to introduce young folks to the organ continues to grow. In spite of it being a very rainy day, we had nearly 50 kids, plus many parents, at St. Paul UMC and Douglass Boulevard Christian on January 13! All who wished to played a piano piece on one or both organs (with the help of Phil Brisson at St. Paul and Dennis Blake at Douglass Blvd), they were shown the "innards" of the Noack at St. Paul by Will Simpson, and had a basic explanation of organ history and technical aspects, as well as saw parts of a video on organ building both done by Pete Webber. Will Simpson and Harrison Zoercher, who also played a piece for them at the beginning, put the morning's program together. Other helpers included Rob Williamson, Charles Wetzberger, David Minton and Ann Wade. Thanks to all who helped – especially Dennis Blake who belongs to the Southern Indiana Chapter.
