STUDENT RECITAL APRIL 18

Our **April 18** program is a ***College and University Student Recital*** on the new Noack at **Christ Lutheran Church**/9212 Taylorsville Road (at Six Mile Lane.) The program begins at **1:00** and will be followed by a reception. (Please note that this is a **Saturday**.) This recital is a continuation of this year's emphasis on encouraging and promoting young organists of all ages. As usual, this event is **free and open to the public**.

Jaime Carini maintains an active career as organist, pianist, and music educator. She studies for the Doctor of Music in Organ Performance and Literature at Indiana University where her teachers include Chris Young and Bruce Neswick. Previously, Ms. Carini served as Dean and Sub-Dean of the Tulsa AGO Chapter. Recent performances include the U.S. debut of Naji Hakim's *The Apostles* for organ duo. An avid chamber musician, Jaime performed at the OK Mozart International Festival and the Meadowmount School of Music in upstate New York.

Stephen C. Price holds a BM degree in organ performance from Western Connecticut State University; the MM from Indiana University and is currently finishing a DMA at IU as a student of Janette Fishell. Upon receiving a Fulbright Grant to France, he earned the *Diplôme d'Études Musicales avec mention très bien* (the equivalent of a US Artist Diploma) in *the Conservatoire National de Région de Toulouse* as well as *le Prix François Vidal* from the conservatory.

NEXT PROGRAM CHANGED TO MAY 29

Because of delays in the installation of the new Schantz at St. Margaret Mary, our originally planned program will be postponed until some time in the fall. We are now scheduled for a return trip to **St. James Episcopal**/401 LaGrange Road/Pewee Valley for a **potluck picnic** on **Friday, May 29th**, beginning at **6:30**. Our picnic there a couple of years ago was a delightful event in a wonderful country setting, so don't miss this one!
