**NEWSLETTER - NOVEMBER 2006**

Ann Colbert Wade, Editor

## ***ANTHEM READING SESSION ON MONDAY, NOVEMBER 13***

Tom Goetz will lead an anthem reading session which will include eighteen anthems for Lent, Easter and Ordinary time. There will be several free octavos for you to keep, as well as selections suggested by several of our chapter members. Music for choirs of varying sizes and levels will be included, so there should be something for everyone. New publications and favorite publications will be featured.

We will meet in the choir room. You can enter from Old Brownsboro Road. Park near the office or sanctuary entrances, and enter at the double doors under the portico.

**PLEASE NOTE:** The date and day in the last *Newsletter* were incorrect due to your editor's senior moment! **MONDAY, NOVEMBER 13 IS CORRECT. THE TIME IS 7:30.**

All Louisville Chapter meetings are open to the public.

## ***REGIONAL CONVENTION IN 2011 ?***

It has been nineteen years since Louisville hosted a regional convention, and the Executive Committee is discussing the possibility of hosting the Region V convention in 2011 (hopefully with the Lexington and Southern Indiana Chapters' involvement) but needs to know what **YOU** think about it. This is not something to take on without a lot of consideration and advance planning. There needs to be a group of enthusiastic and willing workers to pull off a 3-4 day event, nearly every minute of which has to be planned and executed. There is a general chair person, with subcommittees for transportation, housing, programs, workshops, worship services, etc., etc.

There will be some discussion of this and a vote of the general membership taken at the end of the anthem reading session on November 13. If you can't attend, and want more information or to "cast a vote" either way, please contact one of the officers: Philip Brisson, Rob Williamson, or Amy Roth. Please be aware that if you think this is a good idea, and vote to host a convention, you are also saying that you are willing to help with it in some large or small way!

## ***PIZZA, PIPES AND PEDALS***

Our popular program which introduces the pipe organ to young people, *Pizza, Pipes and Pedals*, is coming on **Saturday, January 13**. This year's edition will be hosted by St. Paul United Methodist and Douglass Boulevard Christian Churches, across the street from each other at the Douglass Loop. If you know older elementary, middle and high school students who might be interested, be sure and ask them to save that morning. There will be more details in future *Newsletters*.

## ***THANKS***

Our organ crawl last month was a resounding success – there were over 150 people in attendance at nearly every stop! A huge thank you to Rob Williamson for setting it all up, to Chris Poynter of the Courier-Journal for the article, and to the presenters Hal Kirk at St. John UCC, Linda Morrison at St. Martin of Tours, Margaret Dickinson at Calvary Episcopal, and Guy Younce at Central Presbyterian for their hospitality and preparation.

Kudos also go to David Lamb for planning and performing on this year's *Pipes and Pumpkins!* Thanks to all who also performed: Tim Baker, Theresa Bauer, John P. Buckel, Coterie, Linda de Rungs and the New Albany High School Madrigal Singers, Michael Johnson, Danny Payne and Judith Miller. Bravos also to our program artwork designer, and the members who provided the refreshments. In spite of a very rainy night, we had a good turnout.
